#	CO Dept(s)	Fed Agency	Title	Fed Fund Level	Anticipated State Fund Level	Allocation Method (allocator)	Targeted Recipient	Timeline	Notes
1	Ag	Agriculture	Aquaculture Assistance	\$50M	TBD	Competitive (USDA)	State and aquaculture producers	At 60 days post passage state must be notified by USDA of fund availability. At 120 days grants are made.	Requires that feed prices have gone up 'substantially'
2	CDPHE	Agriculture	Disaster Assistance Transition	\$194M	TBD	Discretionary (USDA)	Farmers and Ranchers		Farm operating loans
3	DOLA	Agriculture	RUS, Rural Water and Waste Disposal Program	\$968 million grants, \$2.8 billion direct loans	TBD	Discretionary Competitive through USDA Rural Development state office	Municipalities, counties, special-purpose districts, and nonprofits		Dolores Sanchez-Maes 720-544-2927 Dolores.sanchezmaes@co.usda.gov
4	DOLA	Agriculture	Watershed Operations & Flood Prevention	\$340M		Discretionary (USDA)	11 Watershed areas around the US	Stuart Simpson, National Watershed Rehabilitation Manager, 202-720-3413	Colorado has no watershed areas and is not included in this program
5	CDE	Agriculture	National School Lunch Program	\$100M	\$1,075,051	Competitive (CO)	Public and non-profit private schools and residential child care institutions	-	States must distribute these funds via competitive grants to local school food authorities, with priority given to those schools in which at least 50 percent of students are eligible for free or reduced lunch.
6	CDE	Education	(IDEA) Special Education Part B section 619	\$400M	\$5,281,455	Formula (USDOE)	LEA's directly from the federal government	for the purposes of school years '09-'10 and '10-'11	Based on population including consideration for the number of children living in poverty
7	CDE	Education	(IDEA) Special Education Part C	\$500M	\$6,950,136	Formula (USDOE)	LEA's directly from the federal government	for the purposes of school years '09-'10 and '10-'11	Based on proportion of Toddlers and infants in CO as compared to the US.
8	CDE	Education	Education for the Homeless Children and Youth	\$70M	\$924,815	Formula (USDOE)	State education agencies	Funds available for school years 09-10 and 10-11	States receive a grant in proportion to the number of homeless students identified during the 2007-2008 school year.
9	CDE	Education	Impact Aid	\$100M	\$1,037,110	Formula (USDOE)	LEA's that educate federally-connected students or have federally owned land		To provide for the undertaking of emergency renovations and modernization projects
10	CDE	Education	Statewide Longitudnal Data Systems	\$250M	TBD	Competitive (USDOE)	Local Education agencies, Nonprofit organizations		The U.S. Department of Education is distributing \$250 million nationwide in competitive grants to state education agencies for improving data systems to manage individual student data, including college readiness test scores and teacher identification data.
11	CDE	Education	Vocational Rehabilitation State Grants	\$540M	\$7,307,044	Formula (USDOE)	State		This program provides grants to states to support a wide range of services. Eligible individuals are those who have a physical or mental impairment that results in a substantial impediment to employment, who can benefit from vocational rehabilitation (VR) services for employment, and who require VR services. Priority must be given to serving individuals with the most significant disabilities if a state is unable to serve all eligible individuals.
12	CDE	Education	(IDEA) Special Education Part B, Section 611	\$11.3B	\$148,731,000	Formula (USDOE)	LEA's directly from the federal government	for the purposes of school years '09-'10 and '10-'11	Based on the number of children with disabilities in the state who are receiving special education and related services.
13	CDE	Education	Enhancing Education through Technology	\$650M	\$7,044,669	Formula (USDOE)	State education agencies	Funds remain available until 9/30/10	The purpose of the program is to assist school districts in their efforts to implement school technology plans and to assist districts with the integration of technology into curricula and instructional practices. Funds can also be used to provide ongoing professional development to teachers. Fifty percent of the available funding must be distributed by formula using (ESEA) Title I funding criteria. The remaining funds must be distributed through a competitive process developed by the receiving State Education Agency.
	CDE, OSPB	Education	Title I School Improvement		\$33,800,000	Formula (USDOE)			
14	CDE, OSPB	Education	Title I Part A	\$13B	\$111,135,922	Formula (USDOE)	LEA's directly from the federal government	for the purposes of school years '09-'10 and '10-'11	\$5 billion each for NCLB sections 1125 and 1125A. \$3 billion for school improvement grants section 1003 (g).
15	CDE, DHE	Education	Teacher Quality Enhancement	\$100M	TBD	Competitive (USDOE)	State education agencies, LEA's, Institutions of higher education	2	To improve teacher recruitment
16	DHE	Education	(PELL) Federal Work Study	\$200M	\$2,733,027	Competitive (USDOE)	Higher Ed institutions to distribute to applicants		
17	DHE	Education	Pell Grants	\$15.64B	\$18,000,000	Discretionary (USDOE)	Students of Higher Education		Including FY2009 omnibus maximum Pell grant will be \$5,350
18	Lieutenant Governor	Education	(R2T) Race to the Top: Innovation Fund	\$650M	TBD	Competitive (USDOE)	Applicants must be a local school district or partner with one.		An eligible entity will have significantly closed achievement gaps, exceeded state's annual measurable objectives in the areas identified above

#	CO Dept(s)	Fed Agency	Title	Fed Fund Level	Anticipated State Fund Level	Allocation Method (allocator)	Targeted Recipient	Timeline	Notes
19	Lieutenant Governor, OSPB	Education	(R2T) "Race to the Top" State Incentive Grants	\$4.3B	TBD	Competitive (USDOE)	State	Through 2010	Colorado well positioned to receive between \$300M and \$500M
20	CDLE	Commerce	(TAA) Trade Adjustment Assistance for Firms	\$50M	TBD	Competitive (USDOC)	TAA	ARRA reauthorizes TAA until 12/31/2013	When workers are certified by the DOL to be TAA benefit eligible, the Secretary of Commerce is required to reach out to the firm to notify it of its potential TAA eligibility. A final determination of eligibility is then made by the Secretary of Commerce. Grants for those eligible firms are made available by the Secretary to the 8 regional Economic Development Administrations, who then divide funding to the 11 regional TAACs, which provide various services to firms in order to increase their competitiveness.
21	CDLE	EPA	(LUST) Leaking Underground Storage Tank Trust Fund Program	\$600M	\$2,540,000	Formula (EPA)	State		Leaking Underground Storage Tank Trust Fund Program will carry out leaking underground storage tank cleanup activities. Cleanup activities are necessary so that product does not infiltrate the water supply and contaminate the soil.
22	CDLE	Labor	(SCSEP) Senior Community Service Employment Program	\$120M	\$240,104	Formula (USDOL)	State	Funds remain available through 9/30/2010	SCSEP is a program operated by the U.S. Department of Labor that serves unemployed individuals with low incomes (125% of poverty) who are 55 and over and have poor employment prospects. Eligible individuals are placed in part-time community service assignments in not for profit organizations or governmental entities and paid state minimum wage for 20 hours per week. The additional goal is to transition participants to unsubsidized employment.
23	CDLE	Labor	(TAA) Sector Partnership Grants	\$40M	TBD	Discretionary (USDOL)	TAA	ARRA reauthorizes TAA until 12/31/2011	To facilitate partnerships between industry, State and local governments, firms, local labor and workforce investment boards, and educational institutions to strengthen and revitalize industries. Grants may be used to help the partnerships identify the skill needs of the targeted industry or sector and any gaps in the supply of available, skilled workers in the community impacted by trade. They may also be used to implement and develop strategies for small-and medium-sized firms to increase their productivity and retain workers.
24	CDLE	Labor	(TAA) Trade Adjustment Assistance for Workers	\$1.6B	TBD	Discretionary (USDOL)	TAA	ARRA reauthorizes TAA until 12/31/2010	To assist workers at firms who have become (or are threatened to become) fully or partially separated from employment due to trade with foreign countries. Workers (3 or more) must apply for a TAA eligibility designation from the Secretary of Labor. Extends TAA program to cover workers at affected public agencies, as well downstream service providers. The program provides qualified workers with compensation, health care tax credits, relocation allowances, training allowances, alternative TAA benefits (for workers over 50) and other services.
38	CDLE, DHE	Labor	(TAA) Community College and Career Training Grants	\$40M	TBD	Competitive (USDOL)	TAA	ARRA reauthorizes TAA until 12/31/2012	Grant proposals must include information regarding the manner in which the grant will be used to improve or develop an education or training program, the extent to which the program will meet the needs of workers in the community, the extent to which the proposal fits into a communities strategic plan or Sector Partnership Grant, and any previous experience of the institution in providing such services to TAA eligible workers.
25	CDLE	Labor	Green Jobs Training	\$500M	TBD	Competitive (USDOL)	Agency Discretion	Awaiting Guidance	These funds are designated for projects that prepare workers for careers in energy efficiency and renewable energy as described in the Green Jobs Act of 2007.
26	CDLE	Labor	Jobs Corps Program	\$250M	TBD	Formula	Office of Job Corps	Awaiting Guidance	The funds will support construction and modernization of a network of residential facilities serving at-risk youth. The funds will allow the Office of Job Corps to move forward on a number of ready-to-go rehabilitation and construction projects, including those where competitions have already been concluded.
27	CDLE	Labor	State Employment Services Grants	\$400M	\$6,202,997	Formula (USDOL)	State	Funds remain available through 9/30/2010	Grants will be distributed according to the formula found in section 6 of the Wagner-Peyser Act (29 U.S.C. § 49). This formula allots two-thirds of grant monies based on the ratio of civilian laborers in each state to the total in all the states; the remaining one-third is allotted based on the ratio of the unemployed in each state to the total in all states.
28	CDLE	Labor	UI Administration	\$500M	\$9,104,983	Formula (USDOL)	State		Based on formula in legislation

#	CO Dept(s)	Fed Agency	Title	Fed Fund Level	Anticipated State Fund Level	Allocation Method (allocator)	Targeted Recipient	Timeline	Notes
29	CDLE	Labor	UI Benefits Extension		\$342,010,072	Formula (USDOL)	UI recipients	through 12/31/2009.	Provides qualifying individuals with 20 weeks of federally funded extended UI benefits and 13 additional weeks in high unemployment states. Total benefit will vary based on caseload.
30	CDLE	Labor	UI Increased Benefits		\$87,249,628	Formula (USDOL)	UI recipients	through 12/31/2009	States voluntarily select to increase state UI benefits by \$25/ week/eligible individual. Full reimbursement paid to states by the federal government.
31	CDLE	Labor	UI Modernization Act	\$7B	\$127,000,000	Formula (USDOL)	State		
32	CDLE	Labor	WIA - Adult State Grants	\$500M	\$4,792,362	Formula (USDOL)	State with 85% sub- allocation to local Workforce Investment Boards		To train unemployed adults and ensure that supportive services and needs-related payments are available to support the employment and training needs of priority populations, including recipients of public assistance and other low-income individuals.
33	CDLE	Labor	WIA - Dislocated Workers Grants	\$1.25B	\$14,464,916	Formula (USDOL)	State with 85% sub- allocation to local Workforce Investment Boards		To assure that supportive services and needs-related payments that may be necessary for an individual's participation in job training are a part of the dislocated worker service strategy.
34	CDLE	Labor	WIA - High-Growth Industry Training	\$750M	TBD	Competitive (USDOL)	State, Workforce Investment Boards		Green Jobs set-aside of \$500 million for careers in the energy efficiency andrenewable energy (WIA Section 171(e)(1)(B))
35	CDLE	Labor	WIA - National Emergency Grants	\$200M	\$0	Competitive (USDOL)	State WIA organizations	Funds remain available through 6/30/2010	To expand service capacity at the State and local levels in response to significant events that cannot reasonably be expected within the formula-funded program
36	CDLE	Labor	WIA - Youth State Grants	\$1.2B	\$11,874,970	Formula (USDOL)	State with 85% sub- allocation to local Workforce Investment Boards		To create summer employment opportunities for youth and language applying the work readiness performance indicator to such summer jobs is included as an appropriate measure for those activities. Year-round youth activities are also envisioned. Bill changes the eligibility age from 21 to 24 years.
37	CDLE	Labor	YouthBuild	\$50M	TBD	Competitive (USDOL)	Nonprofit projects to assist high-risk youth (ages 16- 24)	Funds Available through June 30, 2010	Assisting youth to complete High School and learn housing construction job skills through work on low-income and affordable housing building or rehab.
39	CDOT	Transportation	Federal Aviation Administration	\$1.1 B	\$37,300,000	Discretionary (FAA)	Airports	FAA must award 50% of the funds within 120 days, and 100% of the funds within one year.	Denver International Airport will get \$7 million for runway rehabilitation and \$5 million for apron improvements. Centennial Airport will get \$4 million for taxiway rehabilitation. Aspen-Pitkin County Airport will get \$4 million for apron improvements. Colorado Springs Airport will get \$6.3 million for taxiway rehabilitation. Grand Junction Airport will get \$8 million for apron rehabilitation. And Durango Airport will get \$3 million for taxiway rehabilitation.
40	CDOT	Transportation	Federal Highway Administration Formula Funds	\$26.8 B	\$403,924,130	Formula (USDOT)	State	\$141.4M of state funds must be obligated within 120 days. Remainder must be obligated within one year. Opportunity to gain additional funds after 120 days and one year if state meets obligation deadlines.	50% allocation by STP 50% by FY 2008 Obligation Rate
41	CDOT, MPO's	Transportation	Federal Transit Administration: Capital Investment Grants (New Starts)	\$750M	TBD	Discretionary (USDOT)	Local transit authorities	TBD	Discretionary grants to public transit agencies to improve energy efficiency, and reduce costs and dependence on foreign oil. Priority for projects currently in construction or are able to obligate funds within 150 days of enactment of Act.
42	CDOT, MPO's	Transportation	Federal Transit Administration: Transit Capital Assistance	\$6.8B	\$102,700,000	Formula (USDOT)	State	State and transit agencies must obligate 50% of their funds within 180 days, and 100% of their funds within one year. Opportunity to gain additional funds after 180 days and one year if transit agencies meet obligation deadlines.	These funds will be used to purchase buses and equipment needed to provide additional public transportation service and to make improvements to intermodal and transit facilities.
43	CDOT, MPO's	Transportation	Federal Transit Administration: Transit Capital Assistance. Clean Energy competitiive grant program	\$100M	TBD	Discretionary (USDOT)	Public transit agencies	TBD	Grants are to public transit agencies for capital investments that will assist in reducing the energy consumption or greenhouse gas emissions of their public transit systems. Grants shall be given to projects based on the total energy savings that are projected to result from the investment, and projected energy savings as a percentage of the total energy usage of the public transit agency.

#	CO Dept(s)	Fed Agency	Title	Fed Fund Level	Anticipated State Fund Level	Allocation Method (allocator)	Targeted Recipient	Timeline	Notes
44	CDOT, MPO's	Transportation	USDOT Mulitmodal Discretionary Grants	\$1.5 B	\$300,000,000	Competitive (USDOT)	State, local governments, transit agencies.	Criteria due to be published within 90 days. Project applications within 180 days. Awards announced within one year.	Mode Neutral. Open to state, cities, counties, transit agencies. Project Size \$20 Million - \$300 Million. Projects must be of national or regional significance. Priority to projects that require a contribution of Federal funds in order to complete an overall financing package, and to projects that are expected to be completed within 3 years of enactment of this Act:
45	CDPHE	EPA	(DERA) Diesel Emission Reduction Act grants	\$300M	\$4,730,000	Discretionary (EPA)	Entities with jurisdiction over transportation or air quality, that own or operate a diesel fleet, or Nonprofits focused on pollution reduction.		A) National Clean Diesel program (Competitive grant: 70% of funding ~ \$205.8 million). This program will have three RFAs all to be issued by USEPA HQ. 1. National Clean Diesel Funding Assistance Program contains the majority of the funding dedicated to deployment of EPA-verified and certified technologies. This component will be administered by USEPA's regional offices. 2. National Clean Diesel Emerging Technologies Program fosters the deployment of innovative technologies through a national grant competition. To qualify as an emerging technology, a manufacturer must have an EPA approved application and test plan for verification. 3. SmartWay Clean Diesel Finance Program allows EPA to issue competitive grants to establish national low-cost revolving loans or other financing programs that will provide funding to fleets to reduce diesel emissions.
46	CDPHE	EPA	Brownfields Projects	\$100M	TBD	Discretionary (EPA)	State and Local Governments, Higher Education, Industry		Funds are provided for Brownfields competitive grants to address environmental site assessment and cleanup, 25 percent of which are mandated by law to address petroleum contamination. Funds will capitalize revolving funds and provide low interest loans, job training grants and technical assistance to local governments and non-profit organizations. Waives CERCLA cost sharing requirements.
47	CDPHE	EPA	Clean Water State Revolving Fund	\$4B	\$31,834,900	Formula (EPA)	Clean Water State Revolving Fund		Waives mandatory 20 % matching requirements for revolving funds. Directs the Administrator to reallocate Revolving Fund monies where projects are not under contract or construction within 12 months of the date of enactment. Directs priority funding to projects on State priority lists that are ready to proceed to construction within 12 months of enactment. Provisions: Requires at least 50% of the capitalization grants each State receives be used to provide assistance for additional subsidization (forgiveness of principal, negative interest loans, or grants, or any combination of these). Requires at least 20% of each Revolving Fund be available for projects for green infrastructure, water and/or energy efficiency, innovative water quality improvements, decentralized wastewater treatment, storm water runoff mitigation and water conservation, unless states lack applicants with these types of projects.
48	CDPHE	EPA	Drinking Water State Revolving Fund	\$2B	\$32,618,000	Formula (EPA)	Drinking Water State Revolving Fund		The mandatory 20 % matching requirements for revolving funds is waived. Directs the Administrator to reallocate Revolving Fund monies where projects are not under contract or construction within 12 months of the date of enactment. Directs priority funding to projects on State priority lists that are ready to proceed to construction within 12 months of enactment. Requires at least 50% of the capitalization grants each State receives be used to provide assistance for additional subsidization (forgiveness of principal, negative interest loans, or grants, or any combination of these). Requires at least 20% of each Revolving Fund be available for projects for green infrastructure, water and/or energy efficiency, innovative water quality improvements, decentralized wastewater treatment, storm water runoff mitigation and water conservation, unless states lack applicants with these types of projects.
	CDPHE	EPA	Hazardous Substance	\$600M	TBD	Discretionary	Existing Superfund sites		waives matching fund requirements
49]	Superfund			(EPA)			O

#	CO Dept(s)	Fed Agency	Title	Fed Fund Level	Anticipated State Fund Level	Allocation Method (allocator)	Targeted Recipient	Timeline	Notes
50	CDPHE	ннѕ	Comparative Effectiveness Health Research	\$1.1B	TBD	Competitive (USDHHS)	Health Research	Awaiting Federal Guidance	This funding will be used to conduct or support research to evaluate and compare clinical outcomes, effectiveness, risk, and benefits of two or more medical treatments and services that address a particular medical condition. This research will not be used to mandate coverage decisions or impose "one-size-fits-all" medicine on patients. It will be designed to enable medical professionals and patients improve treatment. \$300 million will be administered by AHRQ, \$400 million will be transferred to NIH, and \$400 million will be allocated at the discretion of the Secretary of HHS.
51	CDPHE	HHS	National Health Service Corps (NHSC)		TBD	Competitive (HHS)	Health Service Professionals	Awaiting Federal Guidance	To address health professions workforce shortages providing scholarships, loan repayment, and grants to training programs for equipment.
53	CDPHE, CU Medical	HHS	Biomedical Research	\$8.7B	TBD	Competitive (USDHHS)	Biomedical Research Facilities	Awaiting specific guidance	\$7.4 billion will be distributed to specific Institutes and Centers and to the Common Fund for biomedical research grants. \$800 million will be used by the Office of the Director for purposes that can be completed within two years, including short-term grants focused on specific scientific challenges, new research that expands the scope of ongoing projects, research on public and international health priorities, and to enhance central research support activities, centralized information support systems.
54	CDPHE, CU Medical	HHS	National Center for Research Resources	\$1.3B	TBD	Competitive (USDHHS)	Non-federal research facilities	Awaiting specific guidance	To repair, renovate, or construct extramural research facilities and to acquire shared instrumentation and other research equipment.
55	CDPS	Homeland Security	(SAFER) Staffing for Adequate Fire and Emergency Response Grant Program		TBD	Competitive (USDHS	Emergency Service Providers	Awaiting Federal Guidance	To help fire departments increase the number of trained "front- line" firefighters available in their communities. Waives cost- sharing.
56	CDPS, DCJ	Justice	(ICAC) Internet Crimes Against Children	\$50M	\$847,710	Formula (USDOJ)	State, law enforcement agencies	Applications due April 8, 2009	To enhance responses to offenders who use computer technology to sexually exploit children, including forensic and investigative components, training and technical assistance, victim services, and community education
